DESCRIPTION	RATE	QTY	DISCOUNT	AMOUNT
Humidifier , ozone unit , fog spray rooms Upon detecting mold spores in certain areas, our action plan involves installing a humidifier in the right wing and the left wing of the building. Additionally, an ozone machine will be placed in the living room and kitchen areas. Each room will be fogged again prior to the installation of the systems.	\$2,758.50	1 2 days	-\$275.85 10%	\$2,482.65
